

Project: **1155**

Project title: **COPAT2 – Coordinated parameter testing of the COSMO6.0 version and ICON-CLM**

Principal investigator: **Beate Geyer**

Report period: **2020-11-01 to 2021-08-31**

Text:

The process of compilation of the last COSMO version is still ongoing. This was not to be foreseen as the plan was to finish the version in the end of 2019.

Therefore we did not start the planned simulations.
